VOLUME 32, NUMBER 7

SPEED STARS ARE TO EXHIBIT HANDICAP FORM

**Anticipate Record Will Be
Broken By Field Of Fast
Performers Entered**

Sixteen speed stars will match strides for the sprint championship at Tanforan in the \$2500 added Woodside Handicap tomorrow, Saturday, March 27. The track record for six furlongs—held jointly by Tick On and Manners Man—may fall before the blazing speed of such aces as Boxthorn, Gleeman, Manners Man, War Glory, Bubblesome, Exhibit and Cloud D'Or. The existing record of 1:11 is certainly a tottering standard at this writing.

Two 3 year olds have been nominated for the engagement, Brown Jade and Fair Lead, and despite the unquestioned speed and class of the older stars, it may be the fleet Brown Jade which will carve out the early pace. No thoroughbred has yet taken the top away from her in the early running in races where she has broken well.

Boxthorn, the former Colonel E. R. Bradley star and now racing for the Jahss Brothers of Los Angeles, appears the likely favorite for the Woodside. He was virtually invincible in his early sprint races at Santa Anita last season, being beaten only when he was stretched out over a distance of ground. His connections are now prepping him strictly for the

600 Lung Cases Exist
In This County**

(Editor's note: This is the first of three articles by a committee of Daly City physicians prepared on the tuberculosis program of San Mateo County Tuberculosis and Health Association. The next two articles will follow in subsequent editions of The Record.)

Tuberculosis is preventable. It should be stamped out. But it still holds first place among diseases that bring death in the ages between 15 and 25.

Right now we know enough about tuberculosis to stop its spread if we all made up our minds to get together to stop it. Tuberculosis is not a mystery. For more than 50 years we have known that it is

(Continued on page 3)

Heavy Rains Flood Peninsula Roads

One of the heaviest rains ever reported in San Mateo County fell early this week. Low lands were flooded. Slides and overflowing creeks paralyzed traffic at several points.

For one-half hour, Monday of this week, the Bayshore highway near Brisbane was blocked by slides. Highway crews were speedily summoned and the route was again opened for traffic. In several other sections Bayshore highway was under water. Monday night traffic was diverted from the highway in the vicinity of Redwood City, as flood waters coupled with the unusually high tide crossed the highway.

The Salada Beach road was partially closed early this week and the highway north of Sharp Park was flooded. Traffic was diverted to

(Continued on Page 7)

New Director Sets Up Vault Office

County Budget Director Ernest A. Rolison this week established "temporary headquarters" in the only available space in the county courthouse—the record vault in the office of County Clerk Hinman.

He set up a desk there until a better location can be found. "All I want is a place to sit down," said the future county executive.

RING out the bells, beloved, the joyous Easter bells,
Celestial harmony along their cadence rolls and swells,

The blessed Christ is risen in the hearts that throb and thrill
Responsive to Love's law wherein we may all laws fulfill.

—ANNIE L. MUZZEY

LEGION GIVES SIXTY CHILDREN HERE IS WHAT CO-OPERATION ESCAPE INJURY THEY SAY ABOUT IN SCHOOL WEEK IN STAGE CRASH CIVIC PROGRAMS

**Declares Adequate Education
Is Necessary To Cope With
Changing Conditions That
Exist In Business World**

The American Legion of California will extend the fullest co-operation possible to further the successful observance of Public Schools Week, beginning today, according to a statement made by the state commander of the order.

After declaring the interest the Legion takes in matters of education, not only in California but throughout the entire United States, the state commander continued:

"In this complex modern age we must think clearly and reason honestly. Adequate maintenance and con-

(Continued on Page 2)

PLUNGED 12,000 FEET TO DEATH

Anatole Maren

Posses recently searched the wilds near Coalinga, Cal., for the body of Anatole Maren, San Francisco WPA worker, who jumped from a passenger plane en route to Los Angeles. No motive for the bizarre death plunge could be ascertained. He leaped after forcing the "safety catch" on the transport's door. He was not missed until passengers and the stewardess felt the rush of air.

**Three Others Hurt As Bus
And Auto Collide On
Mission At Sickles**

Sixty school children escaped unscathed Sunday of this week when a large bus plunged through the front of a store, injuring three persons, after a collision with an automobile at Mission street and Sickles avenue.

Those injured were Mrs. Florence Sudro, 53, 28 Sickles avenue, a patron of the store, severe lacerations; Rosendo Armento, 35, 1132 Eighteenth street, driver of the automobile, concussion of the brain and lacerations; Miss Frances Alaga, 32, 21 Risel street, passenger in the automobile, cuts and bruises.

ALL ALTAR BOYS

The bus was proceeding out Mission street, carrying the 60 children, all altar boys at St. Peter's Church,

LOCAL INTEREST IN PRIZE DRAW GAINS RAPIDLY

**Merchants Sponsoring Free
Radio And Washer Prizes
Report Nearly 40,000
Coupons Are Gone**

Far more than half of the coupons which Daly City merchants contemplated giving away in the free radio and washer drawing, to be held April 17 at the city hall, are gone, it was reported this week. Yet there are still three weeks before the closing date. Local interest in the program is running high.

Progressive business houses declared that they may run out of their present supply of tickets be-

(Continued on page 8)

**P. T. A. Presidents, Legion
Strongly Favor Daly City
Improvements**

The Record publishes here statements received from the president of each local Parent Teacher Association unit and from the commander of the Daly City American Legion Post concerning the local civic improvements:

Mrs. Stella L. Jensen, president of the Jefferson High School P. T. A.: "The development of more and better recreational facilities will give the children their rightful heritage, a happy childhood. Sound bodies usually produce sound minds. Playgrounds furnish an ideal place where children learn to share vital interests and sharing these interests leads to better understanding and good fellowship.

"May I quote to you a section of The Children Charter, drafted at a White House conference, recognizing the rights of the child as the first rights of citizenship: 'For every child a community which recognizes and plans for his needs, protects him against physical dangers, moral hazards and disease; provides him with safe and wholesome places for play and recreation and makes provision for his cultural and social needs.'

"The council of Daly City is to be commended not only for recognizing the need for greater recreational facilities and improved library service, but for providing an opportunity for the citizens of Daly City to meet these needs. This plan should have the hearty support of all citizens."

Mrs. Orville D. Pauw, president of Crocker P. T. A.: "Those persons who have enough faith in our community to settle here as pioneers have been working steadily for the improvement of Daly City. Public spirited women have given a great deal of time, thought and work to establish good schools and safe playgrounds in which children may spend their leisure hours.

"We all know that a community which does not improve goes backward and we are happy to see that Daly City is not going backward but

(Continued on page 6)

Want In Out So Outs Can Get In

The language of the county charter was again invoked, Monday, to begin ouster proceedings against a member of San Mateo County's official family. It seems that making a political football of our charter has grown to be a favorite pastime among some of our citizens who lay claim to ultra civic mindedness regarding the welfare of the people.

Charges and counter charges appear to be the order of day whenever it is desired to attain the end of separating some "undesirable" public servant from his job.

Charges were preferred before the Board of Supervisors at their meeting, Wednesday of this week, that Coroner William F. Crosby had been guilty of violation of almost every section of the charter, and demand was made that he be removed forthwith. Attorney Edmund Scott presented the charges in the interest of persons whom he repeatedly referred to as "my clients." These are said to be the same group of undertakers who, on a previous occasion, filed charges against the coroner.

The board referred the matter to the county executive and district attorney to investigate and prefer formal charges if their judgment found such action warranted.

Further business was as follows: Bond guaranteeing payment of costs or organization of the Colma Fire District was referred to the district attorney.

Application for the position of assistant county engineer was referred

(Continued on Page 7)

Invites Public To Hunt Eggs At Beach

Cynthia Currall

"Streamlined" mistress of ceremonies at the annual Santa Cruz, Cal., Easter egg hunt, Cynthia Currall, who recently invited the public to attend the oceanside fete. Hundreds of visitors from all parts of the Pacific Coast participate in the famous egg hunt.

NEW MEN NAMED TO ACT AS POLICE OFFICERS HERE

**Council In Controversy Over
Procedure Method Taken
To Enlarge Personnel Of
Daly City Department**

By motion passed by a three to two vote of the Daly City Council, Monday evening of this week, J. D. Patten was appointed as a desk clerk of the local police department. George Savage was named to fill the post as extra man, formerly held by Patten. Police Chief Jim Reardon stated that George Hopman, at present a police clerk, would be assigned to outside patrol duty.

Councilman Cavagnaro objected to the method of procedure proposed in the motion. He contended that the council should first appoint a man to outside duty. Councilman Fahey supported the opposition offered by Cavagnaro and declared that the other three members of the board had plotted the move and had decided to put it into effect without due consideration of other viewpoints.

Mayor Paul Selmi alleged that the matter of enlarging the personnel of the police department had been brought up several times in caucus meetings and that Cavagnaro and Fahey had refused to discuss the issue. Councilmen Sundermann, Twisten and Mayor Selmi voted in favor of the motion. Councilmen Cavagnaro and Fahey voted in the negative.

COMPLAINTS

During the long meeting, complaints were registered on three important issues: (1) That condemnation procedure had been delayed in abating a nuisance on Irvington street and several other objectionable structures; (2) That the letting of city gasoline contracts had not been properly discussed before they were signed; (3) That plumbing supplies to be used on San Jose avenue had been bought in San Francisco.

(Continued on page 6)

CLEAN UP WEEK SPONSORED BY CITY COUNCIL

**On Days Of April 12 to 16
Inclusive Trucks Will Call
At All Residences To Pick
Up Rubbish**

Daly City is to have a spring clean up week from April 12 to 16. Plans for the program, outlined by the local Board of Health, were adopted, Monday evening of this week, by the City Council.

Dr. A. A. Shaghoian, Daly City health officer, stated that the clean up week is one phase of an educational project which, it is hoped, will aid in the elimination of all fire hazards and health menaces in this community.

Circulars, giving full details of the clean up program, will be sent out with April water bills. Residents are requested to gather any rubbish which may be in their basements or yards and place it in a carton or sack. On a designated day the Board of Health requests that these cartons and sacks be placed on the sidewalk near the curb. The health department will send trucks to pick up the rubbish at no expense to the residents.

MORE LOCAL NEWS OF DALY CITY FIELD

Gene Burescia of Salinas was a luncheon guest, Saturday of last week, at the home of Mr. and Mrs. George Riddell of Templeton avenue.

Mr. and Mrs. John G. Meyers, 730 Bellevue avenue, are the proud parents of twin daughters born on St. Patrick Day.

Mr. and Mrs. H. Kalinan, of Los Angeles, are the proud parents of a son born in that city on St. Patrick Day. The little fellow tipped the scales at eight and one half pounds. He has been named Richard Herman. His mother was formerly Mildred Franklin of Miriam street, Daly City.

Robert Kalinan, of Los Angeles, is the house guest of his grandmother, Mrs. M. Franklin Miriam street.

Mrs. Elsie Thomson, Bellevue avenue, entertained the members of La Fiesta Club at her home, Friday evening of last week. After the business meeting a social evening and refreshments were enjoyed.

Mrs. J. Hume and daughter, Yvonne, Miriam street, spent Easter vacation in Los Angeles.

Pageant To Be Held On Army Field

A huge open air amphitheater will be erected on Crissy Field at the Presidio for a mammoth historical pageant which is to be staged during the Golden Gate Bridge Fiesta from May 27 to June 2.

The project will have accommodations for 25,000 persons and the seats will be so arranged as to face the Golden Gate Bridge, which will be silhouetted against the night sky during the performance.

Major General George S. Simonds, commanding the Ninth Corps Area of the army, has turned over all facilities at Crissy Field to the Fiesta committee.

Mean while, plans for the pageant are going rapidly ahead. There will be a cast of 3,000 and a symphonic orchestra of 100 pieces.

Rehearsals will begin early in April and the pageant will be one of the most brilliant and colorful ever seen in the West.

Three performances are to be given on the evenings of May 27, 28 and 31.

Easter Services At Baptist Church

Easter services will be conducted, Sunday, at the Calvary Baptist Church, 5724 Mission street. At 9:45 a. m. the Sunday School will present an Easter program, followed at 11 o'clock by the regular morning service. Pastor Miles Dawson will speak at this hour on the subject "If Christ Is Not Risen."

The young peoples meeting at 6:45 p. m. will also feature Easter specialties, and at the 7:45 o'clock evening evangelistic service the sermon subject will be "Victory, a Culmination."

The Calvary Baptist Men Chorus will render appropriate music at the worship services.

In 1936 County Records 563 Births

There were 563 births in San Mateo County during 1936, and yet nearby Monterey County, with a much smaller population, had 936 visits from the stork, according to figures released by the state public health director.

Almost every county, including San Mateo, reported an increased birth rate for last year, and the total number, 84,460, exceeded the 1935 rate by 5 per cent.

Legion Auxiliary Holds Session

Wednesday of last week Daly City, Unit No. 410, American Legion Auxiliary, met in regular session. Chairmen reports and the report of the last district meeting were given. Plans for the big pillow case whist, which will be held April 29 in Eagles Hall, were completed and the sewing group reported several busy meetings in preparation for this event.

The official dates for poppy sales were announced to be May 28 and 29. Poppies will be sold here and throughout the country by volunteer workers of the American Legion Auxiliary. The message of the little red paper poppies this year will be "Honor the dead and aid the living." Money received from the sale will go into funds of the American Legion and Auxiliary and be used to aid disabled veterans and their children.

ANNUAL BANQUET

Saturday of last week the annual banquet honoring the past presidents and commanders was held in Legion Hall. At the same time the sixth anniversary of the organization of Daly City post and unit was observed, as well as the eighteenth anniversary of the American Legion. Tables were decorated in the Legion colors of blue and gold. Those honored by this event were President Mary Crane and Commander Harry Anderson, Past Presidents Catharine Foreman, Julia V. Jordan, Margaret Kenny, June Craft, Marcie Trier, Hilda Prziborski and Past Commanders Fred Dannenberg, Orville Tallmadge, Leslie Hill, Ed Trier and Cleo Miller.

The next regular meeting will be held in Legion Hall on April 7.

Wednesday of next week members of the San Mateo County drill team will sponsor a dance for the patients of Palo Alto Hospital.

The next district meeting will be a Child Welfare meeting in San Mateo Legion Hall under the direction of Mrs. Jessie Zant, Child Welfare chairman of the Twenty-sixth District.

Founding Of Relief Society Celebrated

The ninety-fifth anniversary of the Relief Society was held at the home of the president, Mrs. Agnes Felsch of Risel street, Wednesday afternoon of this week.

A delightful program was rendered during the afternoon.

The honored guests included Esther D. Stevens, state president, Bertha Ohan and Marie Lindsay, county counselors, and Louise Stoddard.

Before the luncheon was served Mrs. Felsch was presented with two handsome bound volumes, "The Progress of Man" and "The Way to Perfection," both by Joseph Fielding Smith.

Local Residents At Bridge Party

Mrs. A. Baireuther of San Francisco entertained the members of her bridge club, last Friday evening.

Among the guests were Mesdames W. Irwin of Hanover street and M. Evans of Citrus avenue.

The Daly City guests carried off the prizes. Mrs. Irwin had the high score and Mrs. Evans received low award.

Daly City Firemen Birthday Party

Daly City firemen of Stations Nos. 1, 2 and 3 held a party, Wednesday evening of this week, in Fire House No. 2, to celebrate the birthdays of members of these stations.

Honored guests were F. Hanson, A. Banfield, A. Lang, H. Rickmann and E. Cuneo.

SPANISH WAR HERO DIES

Rear Admiral R. P. Hobson

Naval hero of the Spanish-American War, Rear Admiral Richmond Pearson Hobson, U. S. N., who died suddenly of a heart attack in his New York home, Hobson was responsible for the sinking of the Collier Merrimac, blocking the entrance to Santiago harbor. For his feat he was awarded the congressional medal of honor.

Classes For Local Police Officers

Starting next week classes will be held for Daly City police officers in which instruction on criminal identification and investigation and other policing duties is to be given. Similar class work will be held by departments throughout the state in order to establish uniform methods of making investigations, reports and policing procedure.

Outlines for the tentative courses of study were drawn at sixteen recent district conventions held throughout the state. Police chiefs, sheriffs, district attorneys and inspectors of highway patrols attended these meetings. On March 8, 9 and 17 Police Chief Jim Reardon and Sergeant Sunderland attended a district convention for this area which was held in Oakland.

"Big Bertha" Goes Through Daly City

The giant 16 inch gun, new United States Army equipment, which arrived in Daly City last week, was moved Monday of this week from a railroad siding at San Jose avenue and Sagamore street to Fort Funston.

The 286,000 pound gun, which has a range of 30 miles, is the largest ever to be installed on the Pacific Coast. Three others will be mounted in the bay region.

LEGION GIVES CO-OPERATION IN SCHOOL WEEK

Declares Adequate Education Is Necessary To Cope With Changing Conditions That Exist In Business World

(Continued from page 1)

stant betterment of our educational institutions is imperative if we are to meet our social and economic problems successfully and maintain our status as a liberty loving people capable of self-government and competent to cope with the involved problems of this challenging era when change and readjustment are on every hand.

"There are many thousands of our people who through lack of educational training and preparation are unable to find a place under the demands of this modern work a day world. Many of this class must be a permanent charge on our working citizenry.

ENCOURAGE EDUCATION

"The American Legion feels that education should be encouraged and that opportunity should be given to the under developed and the handicapped to better prepare themselves to become assets rather than liabilities in the communities in which they live. The standard of living which we enjoy in America today is in a large measure the direct result of the development of our splendid educational institutions.

"During Public Schools Week citizens of the State of California are urged to visit their community and neighborhood public schools in order that they may learn first hand the fact that our public schools are performing the services required of them in preparing our youth for worthy citizenship."

This year's celebration of Public Schools Week marks the eighteenth annual observance of the event.

ALLIANCE TO MEET

Roy Noftz, chairman of the Bay Area Committee of Action, representing all WPA workers of San Francisco, Alameda and Contra Costa Counties, will address the Workers Alliance of San Mateo County, this evening, at Foresters Hall, Redwood City.

Women Clubs Join In School Week

The California Federation of Women Clubs and the California League of Women Voters both joined this week in pledging their help in the activities of the eighteenth annual observance of Public Schools Week, beginning today.

The president of the Federation said: "One of the strong departments of the federated clubs work is the interest centered upon education. This interest has its logical center now in Public Schools Week. I believe the public school is one of the greatest gifts of democracy to humanity."

The president of the League of Women Voters declared: "In order that democracy may function effectively an intelligent citizenry is necessary. In order to have an intelligent citizenry, public education for all children and adults is recognized as a state obligation. In order that public education may be provided for all our citizens, adequate support and understanding of its objectives is necessary."

Junior Game Patrol Boys Go Fishing

A large number of the members of the Junior Game Patrol spent Tuesday of this week fishing at the San Francisco Municipal Pier.

This organization is an official body of the State of California and many local boys have joined the patrol, recently organized in this neighborhood.

The purpose of the Junior Game Patrol is to interest and instruct boys in fish and game and forest conservation and, in addition, teach them the art of fishing and hunting as well as instill in them a sense of good sportsmanship.

Thirty-five years a Prisoner at the Bottom of the Sea

In salvaging the Steamship Islander, which sank off the Alaska coast during the gold rush thirty-five years ago, divers uncovered a number of full siphons of Shasta Water.

The picture shows the sunken wreck and one of the salvaged siphons. The long imprisonment of the latter at the bottom of the ocean had changed its outward appearance considerably. The label was washed off and the sea had encrusted the glass with salt and dimmed the lustre of its top, while barnacles had made their home on its outside; but the Shasta Water inside had undergone no change. On pressing down the lever, the water gushed forth as pure as the day it was bottled, thirty-five years previously, bubbling and sparkling with life and health; mute evidence that the enduring sparkle and health qualities of Shasta Water are almost never-ending.

Available in Siphons and Full Quart Bottles
At all Dealers.

Easter Services On Mt. Davidson Sunday

The fifteenth annual Sunrise Easter service in San Francisco will be held this Sunday morning atop Mount Davidson, highest peak in the city.

The far reaching beacon of the tallest cross in the world will guide approximately 50,000 worshippers who will climb the trails to the mountain crest for the service, which will begin promptly at 6 o'clock.

During the last year new trails up the mountain side have been constructed and old ones widened and leveled to afford easier ascent.

Parking facilities for 10,000 automobiles in the vicinity of Mount Davidson have been made, but no cars will be permitted on the crest.

Special street car service will be arranged by both the Municipal and Market Street Railways for the accommodation of worshippers.

TUBERCULOSIS FLASHY RUNNERS IS PREVENTABLE WILL SEE ACTION SAY PHYSICIANS AT HOME COURSE

Association Estimates That 600 Lung Cases Exist In This County

(Continued from page 1)

caused by living germs called tubercle bacilli. The German physician, Koch, discovered this germ in 1882.

We know that moisture from the mouth and nose of a person with active tuberculosis of the lungs may contain thousands of these germs. People who know that they have active tuberculosis are usually careful in protecting others. But there are many people who have this disease and do not know it. It is important to discover a case in its earliest stage, not only because early discovery means a much better chance of cure for the infected person, but also because others will be protected from infection by proper measures.

EASY TO CHECK

Knowing the cause of tuberculosis and how it is spread, it is easy to see that checking its spread could be done by isolation of cases who have the disease.

It is roughly estimated that there are 600 cases of lung tuberculosis in San Mateo County, who are capable of spreading the disease; but only a few of these are under medical care or isolated in sanitariums or at home. There are thousands who come in contact with these unknown cases, many of whom sooner or later will develop tuberculosis. Our job is to find these 600 cases.

We not only know the cause of tuberculosis and the mode of its spread, but we also know the methods by which to discover the cases who harbor its germs. The various means and ways of doing this are tuberculin testing, physical examination and use of the x-ray. In a second article these methods will be discussed more fully.

New WPA Director Announces Changes

Robert W. Meade, newly appointed WPA manager for San Mateo County, announced, this week, several changes to be made in the local set up of the Works Progress Administration.

On April 1 the county office, now at Howard avenue and Park road, Burlingame, will be moved to the old Peninsula Studio building on Peninsula avenue, east of the railroad tracks, Burlingame.

Work will be speeded on the Colma Creek and drainage project, the Chinese cemetery road near Colma and street improvements in Brisbane.

The Burlingame division of the county sewing project has been discontinued, all workers being absorbed by the Colma and Redwood City units.

COUNTY MAP

Effective April 1, all work on the county relief map, under construction in Burlingame for several months, will be carried on in Redwood City, under guidance of the county planning commissioners. The map is approximately half completed.

On April 6, a new project for laying pipe and an underground water sprinkling system for Orange avenue Park, South San Francisco, will begin. Cost is to be approximately \$5000, with 44 men employed.

Some 560 workers, including professional and technical employees, are at present on the county WPA payroll. The San Mateo County WPA program also includes improvement of the La Honda-Tunitas road, completion of Twenty-Fourth avenue, San Mateo, a culvert project at Belmont, a new culvert for Brisbane, a storm sewer at Redwood City, culverts on Woodside road and a sanitary sewer system at Menlo Park.

Court Saint Marys Has Patrick Dinner

The Saint Patrick dinner given, Thursday evening of last week, by Court Saint Marys No. 1155, Catholic Daughters of America, in Masonic Hall was well attended.

Mrs. F. Baumstieger and Mrs. C. Michelsen were committeemen in charge of the affair. After the dinner, guests were entertained by a class of dancing kiddies from the Betty May school, who did several numbers under the direction of Miss Alicia Fields. There was also community singing.

The committee extends thanks to members and friends who helped to make the dinner and entertainment a success.

Some Fine Performers Are Expected To Enter Three Year Old Championship

Some flashy 3-year-olds, boasting impressive records, invaded the San Bruno sector from Santa Anita this season, but racegoers are wondering if one of the local stars isn't tops after all. The home town queen is Brown Jade, a filly which blazed into stardom at Tanforan last fall, faded momentarily, only to shoot sky high on occasions at Santa Anita.

Mud or dry, it makes no difference to this brown daughter of the one time California star, Alexander Pantages. She can burn oil over any type of racing strip and she is asking no quarter from the crack colts assembled here for the 25 day meeting.

Take a deep track, for instance. Brown Jade simply aired to Exclaim and Rockwood in her last start, winning in a gallop by five open lengths. She stepped six furlongs in 1:13 4-5, almost two full seconds better than the time of the race preceding or the one following her sparkling effort.

No sooner had her post behavior been improved than she developed another fault, running out in the stretch. This cost her several important races which apparently were at her mercy. She proved her unquestioned class when she blazed the pace in the recent \$50,000 Santa Anita Derby, winding up fourth to Fairy Hill in a 21-horse field.

Ross Cooper, trainer of the William Le Baron stable, of which Brown Jade is a member, tried out a spring blinker on his charge which serves a two-fold purpose. The blinker remains open when she is at post and she stands perfectly. She won't stand with a regular cup blinker. After she breaks and is in full stride, the rider pulls a string, releasing a spring attached to the blinkers, which becomes regular cup blinkers after the sleight-of-hand operations. The blinkers keep her from running out, at least they have in her last two starts.

Brown Jade is now being pointed for the \$3000 added Tanforan 3-year-old Championship at one mile and one sixteenth, April 3. Judging from her present form, she'll be the favorite.

WPA Offers Classes In Fundamental Law

Two unusual classes will be added to the WPA education program of the California State Department of Education this week. The fundamentals of such legal questions as marriage, divorce, will, etc., will be explained in a course of twelve lessons. The instructor, Mr. A. Balm, is a graduate of Harvard University. One class will meet every Friday

Lieutenant Massie Weds Seattle Girl

Ordered to report for duty in China, Lieutenant Thomas H. Massie, naval officer involved in the Hawaiian manslaughter case five years ago, recently stayed over in Seattle with his new bride to await a boat bound for the Orient. Massie secretly married Florence K. Storms, 29 year old Seattle socialite, shown in photo, but the bride's parents, Postmaster and Mrs. H. S. Storms of Chewelah, Wash., disclosed the marriage.

from noon to 1:30 o'clock, on the seventh floor of the Y. W. C. A., 620 Sutter street. The other will meet every Thursday evening from 7:30 to 9:30 o'clock at the Mary Elizabeth Inn, 1040 Bush street. These classes are free to all adults. Registration is made at the regular class meeting.

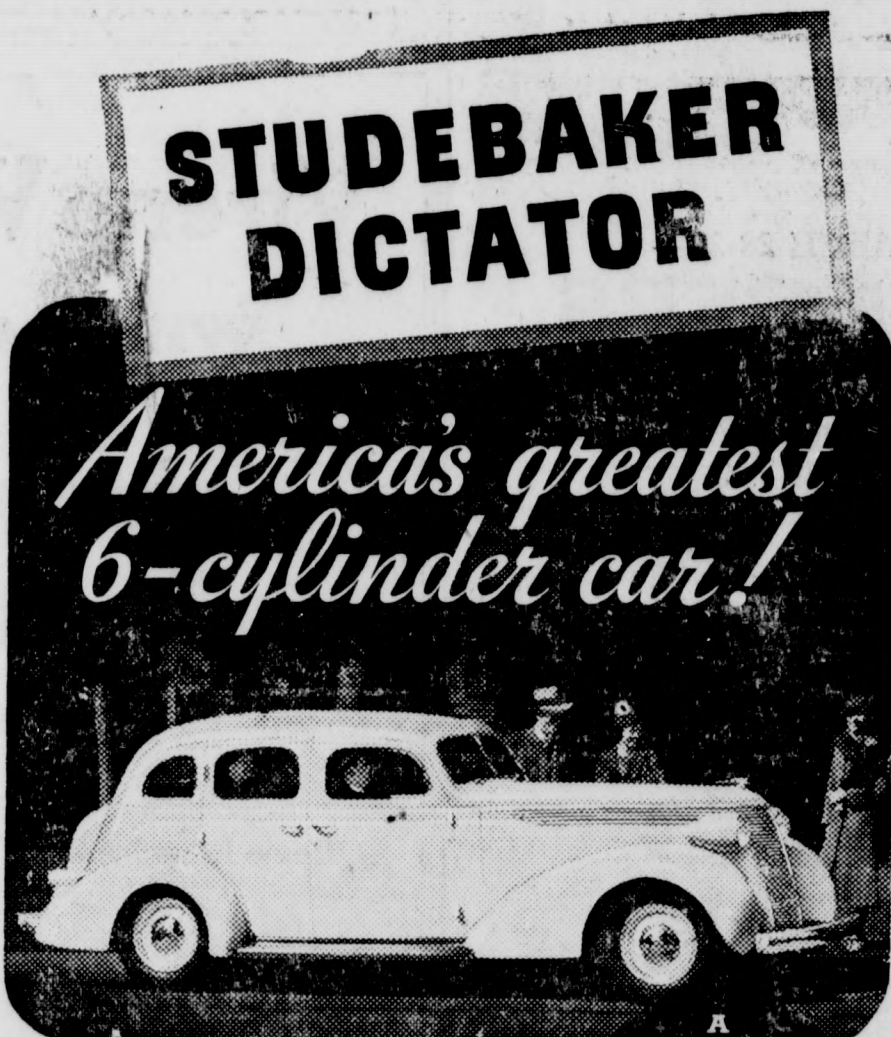

P. T. A. Executive Board Meeting

A meeting of the executive board of Crocker Parent Teacher Association will be held at the home of Mrs. Agnes Anderson, 201 Evergreen avenue, Tuesday of next week. Mrs. Orville D. Pauw requests all officers to be present, as plans for the installation must be completed and the business of last year brought to a close. Luncheon will be served at noon.

The next regular meeting will be held on April 13, at which time the new officers for the coming year will

STUDEBAKER DICTATOR
America's greatest 6-cylinder car!
THE big, beautifully styled 1937 Studebaker Dictator six is taking them all on... every last one of the nine other 6-cylinder cars—even going above its price class... and showing them all up.
Down close to the lowest in price, its Fram oil cleaner and gas-saving automatic overdrive enable it to equal and often beat lowest priced cars in operating economy.
It's the world's first six to offer the automatic hill holder plus feather-touch hydraulic brakes... the world's only six with doors that close lightly, tightly and silently. But see it... drive it today. Studebaker's C. I. T. Budget Plan offers low time payments.

ARMY CAVALRY TO PARTICIPATE IN CELEBRATION

U. S. Officers Give Support To Golden Gate Bridge Fiesta May 27-June 2

For the first time in years San Francisco streets will resound to the clattering hoofs of army cavalry during the Golden Gate Bridge Fiesta, May 27 to June 2.

Announcement was made this week by the general chairman of the fiesta that the crack Eleventh Cavalry from the presidio at Monterey would be ordered here for the bridge opening celebration. It is the only cavalry regiment on the Pacific Coast.

United States officers pledged the full co-operation of the army in the celebration and have placed all facilities of the disposal of the fiesta committee.

The Eleventh Cavalry will take part in the day and night parades during the fiesta and is also expected to stage a spectacular exhibition of cavalry maneuvers and drills.

Meanwhile the Secretary of War has been asked to authorize the participation of the army air corps in the fiesta. It is hoped to obtain the assignment of the army planes from Hamilton Field, Marin County, and March Field, Riverside County.

BRITISH ROAMERS

The International Labor Office reports that Great Britain has a far larger number of citizens abroad than any other country.

Native Sons Plan To Hold Whist

El Camino Parlor No. 256, Native Sons of the Golden West, will give their annual whist party, April 9, in the Daly City auditorium. Play is to start at 8:30 p. m.

James Tannery and A. Palmisano are the sponsoring committee for the affair. There will be a door prize, for high score and several other valuable prizes will be awarded.

Auxiliary Honors Visiting President

The local Old Glory Auxiliary, along with five other peninsula units, recently entertained Grace Preston of Fresno, president of the Department of California, Veterans of Foreign Wars, upon the occasion of her official visit to the bay area.

Auxiliary members presented President Preston a beautiful gift as a remembrance of her visit here.

Summons

No. 26609—Dept. No. 1

In the Superior Court of the State of California, in and for the County of San Mateo.

REGINA NANZER, Plaintiff, vs. All persons claiming any interest in, or lien upon, the real property herein described, or any part thereof, Defendants.—Summons.

The people of the State of California:

To all persons claiming an interest in, or lien upon the real property herein described, or any part thereof, Defendants; Greetings:

You are hereby required to appear and answer the complaint of Regina Nanzer, plaintiff, filed with the Clerk of the above-entitled Court and County, within three (3) months after the first publication of this Summons, and to set forth what interest or lien, if any, you have in or upon that certain real property, or any part thereof, situated in the County of San Mateo, State of California, and more particularly described as follows, to-wit:

Lot numbered thirteen (13) in block numbered eight (8) as shown on that certain map entitled "New High School Acres, Redwood City, California," filed in the office of the County Recorder of San Mateo County June 25, 1923, in Book 11 of Maps at Pages 36, 37 and 38.

And you are hereby notified that unless you so appear and answer the plaintiff will apply to the Court for the relief demanded in the complaint, to-wit:

That it be adjudged that plaintiff is the owner of said property in fee simple absolute; that plaintiff's title to said property be established and quieted; and that the Court ascertain and determine all estates, rights, titles, interests and claims in and to the said real property and every part thereof, whether the same be legal or equitable, present or future, vested or contingent, or whether the same consist of mortgages or liens of any description; and that plaintiff recovers her costs herein; and for such other and further relief as may be proper in the premises.

Witness my hand and the seal of this Court this 26th day of January, 1937.

(Seal) E. B. HINMAN, Clerk, By CLARE ROBERTS, Deputy Clerk.

MEMORANDUM

The first publication of this summons was made in the Daly City Record newspaper on the 29th day of January, A. D. 1937.

MEMORANDUM

The following person is said to claim an interest in or lien upon said property adverse to the plaintiff above named, to-wit, Charles Meyers, also known as Charles A. Meyers. That the address of said Charles Meyers, alias, is unknown. J. THADDEUS CLINE, Attorney for Plaintiff.

SELFISH ATTACK ON ROOSEVELT TO FAIL

By J. W. MARCHBANK
Pioneer in Frontier Mining Work

Only the kind of person usually characterized as silurian questions the sincerity of President Franklin Roosevelt in any of his plans for the humanization of government. Lately, of course, the principal objective of the critics of the "chief" is the reorganization of the Supreme Court.

The remarkable thing about the whole situation is that the President is trying to save capitalism and the capitalists are doing their worst to thwart him. Never before in the history of our country was there such an anomalous condition of affairs.

Only the other day I was reading in a liberal publication that the President now has the habit of perspective and sees his historic function as that of attempting to stabilize capitalist democracy by reforming it. The far-seeing writer believes the President is right in his belief that the continued power of the Supreme Court is the surest way to capitalist collapse.

In his first inaugural speech the President said:

"What we must have is action and action now."

And it will be recalled at the Democratic victory dinner several weeks ago he warned his party that if it could not move along with the people's needs, it would die.

Will the Democrats heed those wise words or will the party's place as the champion of the one hundred and twenty million of men, women and children of the country be taken by another and more enlightened party?

The agitation for shelving the President's proposal for increasing the number of judges on the federal bench by legislative action and substituting the submission of the proposition, or a similar one, as a constitutional amendment, does not hold water. Years have passed since the battle started for a child labor amendment to the constitution and it is still on. The logical position to take is to favor the suggestion of the chief executive of the nation. If the President's proposal loses in Congress all chance for any amendment will be lost. It has been pointed out more than once by close students of the crisis that the majority

of the Supreme Court have given proof that they do not propose to let us have the action which we need, or even a reasonable part of it, or even to allow us to experiment toward saving the country.

Ferdinand Pecora did a remarkable piece of work as counsel for the Senate banking committee in "showing up" malodorous Wall street doings, and now, as might be expected of a true liberal, is supporting the proposed reformation of the highest court in the land. Pecora is at present sitting on the Supreme Court of the state of New York. The other day, in testifying before the Senate judiciary committee, Judge Pecora said:

"There should be and must be a tribunal to pass upon the validity of statutes and to interpret the constitution, but when those interpretations are made they should not be based on the personal economic predilections of those who make them."

That is one of the soundest pronouncements that has been made in all the controversy over the enlargement of the Supreme Court.

Secretary of Treasury Henry Morgenthau Jr. has adopted what is considered a fool-proof system of avoiding "leaks" concerning the treasury's financing. He reveals, as a month goes on, the details of financing, so that a formal announcement, when it comes, contains few surprises. Usually, as fast as Mr. Morgenthau and his advisers, in conference with the open market committee of the Federal Reserve System, make decisions they are made public.

Vacancies Are Open In Marine Corps

The postmaster of Daly City announces that a number of vacancies for service in the United States Marine Corps are still open to qualified men.

Service with the Marines has a special appeal to nearly every young man because of the unusual opportunities it offers for education, travel and adventure in foreign lands.

Worth while young men, desiring to learn about the long and honorable service of the Marine Corps and also about the special advantages they can enjoy while wearing the uniform of this branch of the government service, are invited to call at or write to the Marine Corps recruiting station, room 46, Federal Office Building, San Francisco.

DRAINING WATER

Motorists are advised to allow the engine to run slowly while draining and refilling the car's cooling system.

With the motor running, any obstruction due to clogged hose, thermostat and the like may be immediately detected.

Guarded From "Snatch" Fiends!

Probable heiress to a California sugar fortune, 2 year old Elsie Spreckels, pictured with her mother, Roxanna Spreckels, was threatened recently with kidnapping. Guards were posted about their San Diego, Cal., home when Mrs. Spreckels told police three suspicious men had "shadowed" her for several hours.

U. S. May Allocate Millions For Safety

A comprehensive report on the air safety survey conducted by a senate commerce committee recommended this week immediate expenditure of \$12,414,000 for "proven aids" to air transportation and revival of the post of assistant secretary of commerce for air.

Additional weather bureau stations, directional beams, two way radio communication stations, emergency landing fields and blinkers on mountain tops were recommended in the report. Most of these aids would be concentrated in the Far West, in the territory west of Salt Lake where several planes crashed recently.

From the viewpoint of safety, efficiency and continued progress in the newest mode of transportation the report, based on evidence gathered by the committee during its year and a half investigation, asserted that immediate appropriation of the \$12,414,000 was "the most pressing action facing congress."

DEATH LURKS IN THE DARK HOURS

It is reported deaths from automobile accidents at night increased 37 per cent from 1930 through 1935. Deaths from daylight crashes decreased 12 per cent during that period.

In nearly all the reports of nighttime accidents, there is evidence that someone was driving faster than his eyes could see, or into darkness that wasn't dispelled by headlights or highway illumination.

Human eyes are not like owl eyes. Light rays from head lamps do not bend around curves or over hills. And highway illumination, as far as fast driving is concerned, has not improved greatly since the arc-lamp era. Good highway lighting is possible, but the investment has not yet been made.

The facts urge every driver to slow down when the sun goes down; to have self-imposed speed limits—one for clear days, a slower one for nights and bad weather. Fear the dark as you do a fog, a snow or a heavy rain.

Ford Motors Plans Radio Installation

With the car radio growing in popularity each year, the Ford Motor Company now expects to install its improved radio in approximately half of the cars sold at retail.

A newly developed outside aerial designed to provide maximum reception efficiency is the chief improvement in the 1937 radio. In addition, performance of the new six tube set is greatly enhanced by the method of installation.

Extensive tests during the past year revealed the importance of having the radio set engineered for the car. Accordingly, radio engineers worked hand in glove, and when there was an important change in body design of the Ford a compensating change was effected in the radio.

This results in excellent radio delivery, providing long distance reception without requiring too much power from the battery of the car. Noises at the lower frequency end of the broadcast have been diminished, and ignition noises have been greatly reduced without the use of suppressors.

Carburetor Mixture

A carburetor mixture that is too lean or too rich is easily identified.

If too lean, the symptoms will be hard starting, back-firing when the throttle is opened suddenly, and failure of the motor to idle properly. If too rich, the motor will operate uneventfully, due to excess fuel; spark plugs will foul quickly; and exhaust gases will cause a burning sensation when coming in contact with the eyes.

BOOST YOUR BUSINESS

You can help yourself and your home newspaper by patronizing your home merchants.

18,488 Employers Subject To Act

California has a total of 18,488 employers now registered as subject to the Unemployment Reserves Act, it was announced this week.

The latest count of employees under the above subject employers numbers 1,258,166. Unemployment benefits will start January 1, 1938, when eligible employees will receive from \$7 to \$15 per week for from 13 to 20 weeks if they are out of work.

The subject employer group, which this year pays 1.8 per cent of its total payroll as a contribution to the unemployment fund, has grown by leaps and bounds.

In May, 1936, when the first count of employers was made, there were only 14,650 concerns on record from which contributions were expected.

The increase of nearly 4000 in less than a year reveals not only improved business conditions throughout California, but also indicates employers accept provisions of the act, and are co-operating with the Unemployment Reserves Commission.

San Mateo County had 113 employers, and 3,990 employees registered, according to the survey made by the Unemployment Reserves Division of the Commission.

PATCH THE DRIVEWAY

Don't allow a driveway surface that needs patching to go unattended.

A patch in time reduces the cost of driveway maintenance very considerably, as many car owners discover after it is too late.

U. S. Living Costs Jump Six Per Cent

Statistics compiled by the United States Commissioner of Labor show that living costs in this country have jumped 6 per cent in the past three years.

Reports from the commissioner show food constitutes 32 per cent of the family budget, clothing 12 per cent and transportation 9 per cent.

The worker must have \$1.06 now to buy what he did two years ago with \$1. It is asserted that President Roosevelt is "particularly interested" in the living costs situation.

EXPERIENCED HOUSEWIFE CLUB

(By Maude Larue Ives)

One of our members, Mrs. Osmond Schreiber, who is a graduate nurse, has sent in so many recipes suitable for invalids or convalescents. The following is one which would be enjoyed by the whole family:

BEEF OR MUTTON BROTH

- 2 Pounds lean beef or mutton (shank of beef—neck of mutton).
- 2 Quarts cold water.
- 1 Teaspoonful of salt.
- 3 Tablespoons rice or barley.
- 2 Bay leaves.
- 1 Stalk of celery.

Wipe meat with damp cloth, remove fat and skin; cut in pieces; break the bones. Place all in soup kettle, add salt and cold water. Heat gradually to the boiling point, but do not boil. Skim the skum that rises to the top. Simmer for 3 or 4 hours. Strain, cool and remove all the fat; add rice, celery and bay leaf and cook until rice or barley is soft, but do not boil. Serve hot with croutons or wafers.

FATTIGMAN BAKKELSE

(From Mrs. E. Peterson)

This is a Swedish cake which is often made around Christmas time: 1 Egg, 1 tablespoon sugar, 1 tablespoon thick cream, 1/4 teaspoon salt, one pinch of cardamom seed, crushed, or 1/2 teaspoon vanilla, 3/4 cup cake flour.

(a) Beat egg separately until very light, add sugar, cream, salt and flavoring.

(b) Mix in flour to make dough which can be rolled very thin.

(c) Cut in diamond shapes about 2 to 2 1/2 inches long, making a slit in the center.

(d) Fry in deep fat. Drain and dust with powdered sugar.

CASSAROLE BAKED DISH

(From Mrs. H. Warshawski)

1 Can tuna, 1 ten cent size package potato chips, 1 can mushroom cream soup. Mix all to gether well. Bake 1/2 hour.

The amounts may be doubled if larger quantity is desired.

COFFEE ICE CREAM

(From The Farmer's Wife)

1 Quart milk, 4 tablespoons ground coffee, 1 cup sugar, 1 teaspoon vanilla, 1 cup cream beaten stiff.

Heat the milk in a double boiler, add the coffee and let stand in double boiler for 30 minutes. Strain and add sugar. When cold add vanilla and whipped cream. Freeze in ice trays in automatic refrigerator, stirring every 20 minutes during process of freezing. It will freeze in about three hours.

Fool Proof Plane In First Tests

Engineers of the Stearman-Hammond Aircraft Corporation were making minor alterations this week on the Model Y Stearman-Hammond fool proof plane following its recent successful flight at Mills Field.

The two place, pusher type plane, mounted on a tricycle carriage, motored from the factory where it was built, a mile north of here, down the dirt road paralleling the Bayshore highway, and when it reached the field took off for a 10 minute hop.

It circled the field several times and landed successfully and then a second pilot took the plane aloft for another brief flight.

Approved last year by Department of Commerce officials, the plane which made the recent hop was the first to be constructed on the West Coast and was built at the plant near here.

It features the tricycle landing gear, which eliminates ground loops and nose overs. The front wheel is moveable, making it possible to operate the plane as an automobile.

The motor is located immediately behind and above the two side by side seats. The pilot has an unobstructed view from his place far forward.

Brilliant American Tenor Ends Career

Amid a thunder of applause, John McCormack, brilliant American tenor, stepped from the stage of the Buffalo Consistory auditorium, at Buffalo, N. Y., late last week, and rung down the curtains on his career of phenomenal success which started 28 years ago.

There was no theatrical farewell, no fanfare, as McCormack made his final American appearance on the concert stage.

"I'm definitely through with concerts, and this is the way I wanted to leave the stage," he said. "I didn't want to say goodbye. I just wanted to step out."

McCormack announced that he will sing but one more concert—in Dublin, Ireland.

"I want to say goodbye to the people in that country," he explained.

Chinatown in San Francisco has the largest group of Chinese of any city outside of China.

Red Cross In Move For New Stations

Springtime, with its increased auto traffic, brings renewed activity by chapters of the American National Red Cross to greatly increase the emergency first aid stations along the highways of the Pacific area, the manager of the Pacific Branch of the Red Cross, said this week.

At the same time he announced the appointment of three special field representatives to speed the work in California, Oregon, Washington and Idaho.

Since launching its campaign to reduce the number of deaths in highway accidents, the Red Cross has opened 244 first aid stations and projected 211 others in the Pacific states alone. Of this number Arizona has 11; California, 86; Idaho, 22; Nevada, 10; Oregon, 38; Utah, 24 and Washington, 53.

Nationally the Red Cross has opened 1,485 highway first aid stations. In addition to those in the Pacific States, 574 are in the Midwest and 677 in the Eastern States. State highway departments, everywhere, are co-operating.

SAVED LIVES

Volunteer trainees in first aid methods are credited with having saved a number of lives. Services to the injured have been rendered in hundreds of highway accidents in the West. Emergency treatments have been given to a wide variety of injuries: from bone fractures, cuts, burns, sprains and abrasions, to dog bite—in one case a dog having leaped from a trunk rack to sink its teeth into the hand of a car driver as she attempted to open the door.

Automobile Buying Trend Swings Up

An interesting trend in automobile buying was revealed this week by the Mission Auto Company, Chrysler and Plymouth dealer here. "In spite of the unusual values now being offered in low priced cars," stated officials of the Mission Auto Company, "there is a heavy trend toward higher priced automobiles."

"It is not difficult to understand this trend. During the depression years so many persons, whose incomes normally made them prospects for expensive merchandise of all kinds, suffered such heavy curtailments in these incomes that they were forced to forego the luxury of the large car for the economy of the small one."

"At the same time, these persons, having once enjoyed the utmost that motoring afforded, realize that there is no substitute for the comfort that comes from weight, roominess and power. As fast as conditions permit they are getting back into the luxury class. Then too, recovery from the depression brought out an entirely new group of persons with money."

"These conditions, together with the fact that Chrysler is now selling at the lowest prices in history, have resulted in an unprecedented volume of sales for our organization." The dealers stated that the current thirteenth anniversary selling event, featuring low down payments and easy monthly terms, had practically doubled Chrysler sales for the first three weeks of March. "Our Chrysler anniversary event has proved unusually successful," they said. "Sales for the month are destined to set a new record in Chrysler history."

"Despite the fact that our factories are closed, we have ample stock on hand. All models and colors are available for immediate delivery."

Woman Killed In L. A. Explosion

Painfully injured by a recent explosion which occurred when she tried to light a gas heater, Mrs. Clarence Hubbard of Los Angeles died shortly after arriving at the hospital. Mrs. Hubbard, whose husband was ill, rose early in the morning to light the heater. The explosion blew the walls from the apartment and rocked the neighborhood. Photo shows wreckage of the blast. Her husband also was taken to the hospital in a serious condition.

Lesson Sermon Of Christian Science

"Lord, thou hast been our dwelling place in all generations." These words from Psalms comprise the Golden Text to be used Sunday, March 28, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The subject of the Lesson-Sermon will be "Reality." Included among the Scriptural selections will be: "Jesus answered them, and said, My doctrine is not mine, but his that sent me. If any man will do his will, he shall know of the doctrine, whether it be of God, or whether I speak of myself. He that speaketh of himself seeketh his own glory: but he that seeketh his glory that sent him, the same is true, and no unrighteousness is in him" (John 7: 16-18).

The following passage from the Christian Science textbook, "Science and Health with Key, to the Scriptures" by Mary Baker Eddy, will also be included: "Belief in a material basis, from which may be deduced all rationality, is slowly yielding to the idea of a metaphysical basis, looking away from matter to Mind as the cause of every effect" (p. 268).

Local Teacher Is Stage Producer

Professor Larry Feldvoss will teach tumbling and health culture in conjunction with Miss Gladys LeClaire when the new dance studio is opened, Saturday of next week, at the American Legion Hall, 474 San Diego avenue. Feldvoss is the producer of "Stars of Tomorrow," performances by a group of juvenile tumblers who have appeared several times at the Golden Gate Theater.

At 1:30 o'clock on the afternoon the dance studio opens here, interested local residents are invited to attend the organization of classes and observe teaching methods.

S. M. County Double Flood Relief Quota

Final reports from the American Red Cross show that San Mateo County more than doubled its quota in money subscribed to the eastern flood relief program. Local contributors gave \$18,176.92 to the fund. San Mateo County quota was \$9000.

Cities and communities in this area gave the following sums: Daly City, \$734.66; South San Francisco, \$1,000.91; San Bruno, \$439.54; Colma, \$159.12; Bayshore, \$93.50; Sharp Park, \$42; Rockaway Beach, \$34.60, and Brisbane, \$18.50.

Notice To Creditors

No. 7492

In the Superior Court of the State of California, in and for the County of San Mateo.

In the Matter of the Estate of EMELIA SNOW, also known as MRS. A. B. SNOW, Deceased.

Notice is hereby given by the undersigned, NORMA S. HOAG, Administratrix of the Estate of EMELIA SNOW, also known as MRS. A. B. SNOW, deceased, to the creditors of and all persons having claims against the said deceased, to file them, with the necessary vouchers, within six months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California, in and for the County of San Mateo, or present the same, with the necessary vouchers, within six months after the first publication of this notice, to the said Administratrix at her residence, 114 Irvington Street, Daly City, San Mateo County, California, the same being the place for the transaction of the business of said estate.

Dated this 8th day of March, A. D. 1937.

NORMA S. HOAG, Administratrix of the Estate of EMELIA SNOW, also known as MRS. A. B. SNOW, deceased. FRANK B. LORIGAN, Attorney for Administratrix, 922 De Young Bldg., San Francisco. First publication in the Daly City Record, March 12th, 1937. Mar. 12-19-26-Apr. 2-9, 1937

Notice of Time Appointed for Probate of Will

No. 7514

In the Superior Court of the State of California, in and for the County of San Mateo.—Probate.

In the Matter of the Estate of MARIE ANTOINETTE FLYNN, Deceased.

Notice is hereby given that Monday, the 29th day of March, A. D. 1937, at 10 o'clock a. m. of that day, and the Court Room—Probate Department No. 2 of said Court, at the Court House in Redwood City, in the County of San Mateo, State of California, have been appointed as the time and place for proving the will of MARIE ANTOINETTE FLYNN, deceased, and for hearing the application of Charles L. Conte for issuance to him of Letters of Administration with the Will Annexed.

E. B. HINMAN, Clerk. (Seal) By MURA B. STILES, Deputy Clerk. (Endorsed) Filed Mar. 6, 1937. E. B. HINMAN, Clerk. By MURA B. STILES, Deputy Clerk. Dated March 6th, A. D. 1937.

RUSSELL P. TYLER, Attorney for Petitioner, Russ Building, San Francisco, California. Mar. 12-19-26, 1937

Notice of Trustees' Sale

Notice is hereby given that default has been made in the payment of interest due on that certain note executed by Fern King, a married woman, to the order of E. A. Stewart, a single man, dated November 13th, 1935, and secured by a deed of trust executed by Fern King, a married woman, as her separate property to R. E. Reeves Jr. and Mathilda Gilman, Trustees, and recorded in liber 668 of Official Records, page 268, in the office of the County Recorder of San Mateo County, California, said E. A. Stewart, the beneficiary under said deed of trust, caused to be recorded in above named office in liber 722 of Official Records, page 369, a notice of said breach and default and of his election to declare all sums payable under said note as due and payable and of his election to cause to be sold the property affected by said deed of trust to satisfy the obligation created by said note and deed of trust, and E. A. Stewart having requested said trustees to sell the property affected by said deed of trust, to satisfy said obligation, the trustees hereby give notice that on April 8th, 1937, at the hour of ten-thirty o'clock a. m. of said day at the front entrance of the Court House of the County of San Mateo, situated on the north side of Broadway between Hamilton and Middle Field Road, in Redwood City, County of San Mateo, State of California, said trustees will sell at public auction in lawful money of the United States of America, to the highest bidder, all that certain real property situated in the County of San Mateo, State of California, particularly described as follows, to-wit: Being lot Two (2) and lot Three (3) and lots Eighty-four (84) and Eighty-five (85) in Block Twenty-five (25) of Visitation Subdivision as

shown on the amended Map of subdivisions one, two and three of the City of Visitation, County of San Mateo, State of California, as per Map dated October 14th, 1908, and recorded in book (6) of Maps at page 45, Records of San Mateo County, California.

Terms of Sale: Cash in lawful money of the United States of America; the beneficiary under said deed of trust or any other person may purchase at said sale.

Dated March 3, 1937.

Notice of Sale of Real Property at Private Sale

No. 49701—Dept. No. 9

In the Superior Court of the State of California, in and for the City and County of San Francisco.

In the Matter of the Guardianship of the Estate of JAMES EDWIN BOWEN, also known as James E. Bowen, Incompetent.

WELLS FARGO BANK & UNION TRUST CO., a corporation, Guardian of the Estate of James Edwin Bowen, also known as James E. Bowen, Incompetent, hereby gives notice that it will sell at private sale, for cash, to the highest bidder, subject to confirmation by the above entitled Court, at the Real Estate Department of said Wells Fargo Bank & Union Trust Co., Market at Montgomery streets, San Francisco, California, at the hour of ten o'clock a. m., on or after the 27th day of March, 1937, the following described property belonging to the above entitled estate, to-wit:

That certain lot, piece or parcel of land, situate, lying and being in the County of San Mateo (vacant lot about 1209 Grove Street, Burlingame), State of California, and particularly described as follows, to-wit: Lot 18, Block 8, as shown upon that certain map entitled "Map of Burlingame Grove, San Mateo County, Calif." filed in the office of the County Recorder of San Mateo County, July 16, 1906, in Book "B" of Original Maps, page 30, and copied into Map Book 4, page 46.

TERMS AND CONDITIONS OF SALE: Cash in lawful money of the United States of America, 10% of the sale price to be paid upon acceptance of offer, and the balance to be paid on confirmation of sale by the Court. All bids and offers must be in writing, and may be left at the Real Estate Department of said Wells Fargo Bank & Union Trust Co., Market and Montgomery Streets, San Francisco, California, or said bids or offers may be filed in the office of the Clerk of the above entitled Court at any time after the publication of this notice as required by law, and before the making of the sale.

Dated: March 5th, 1937.

WELLS FARGO BANK & UNION TRUST CO., a Corporation, Guardian. By G. E. JENNINGS, Assistant Trust Officer.

EDGAR H. ROWE, Attorney for Guardian. Mar. 12-19-26, 1937

Notice To Contractors

SEALED PROPOSALS will be received at the office of the City Council of the City of Daly City, located in the City Hall, City of Daly City, California, until eight o'clock p. m. on Monday, the 12th day of April, 1937, at which time they will be publicly opened and read for performing work as follows:

City of Daly City, Hillcrest Drive, between Mission Street and Mission Circle, about two hundred and twenty-five (225) feet in length, improved by removing the existing integral curb and gutter and constructing new integral curb and gutter.

No bid will be received unless it is made on a proposal form furnished by the City Engineer. Each bid must be accompanied by cash, certified check or cashier's check made payable to the City of Daly City for an amount equal to at least ten (10) per cent of the amount bid, such guarantee to be forfeited should the bidder to whom the contract is awarded fail to enter into the contract.

All bids are to be compared on the basis of the City Engineer's estimate of the quantities of work to be done.

No bid will be accepted from a Contractor who has not been licensed in accordance with the provisions of Chapter 791, Statutes of 1929, as amended.

Plans may be seen, and forms of proposal and specifications may be obtained at the office of the City Engineer of the City of Daly City, located at 2382 Broadway Street, Redwood City, California.

The special attention of prospective bidders is called to the "Proposal Requirements and Conditions" set forth in the proposal form, for full directions as to bidding.

The City of Daly City reserves the right to reject any or all bids.

CITY OF DALY CITY.

GEORGE A. KNEESE,

City Engineer.

Dated March 26, 1937. Mar. 26-Apr. 2-9, 1937

HERE IS WHAT NEW MEN NAMED THEY SAY ABOUT TO ACT AS POLICE CIVIC PROGRAMS OFFICERS HERE

P. T. A. Presidents, Legion Strongly Favor Daly City Improvements

(Continued from page 1)

is steadily forging ahead in its plans for improvement. For many years we have needed good parks and playgrounds, both in Daly City proper and in the Crocker Tract. In the past our schools have taken care of this problem as best their facilities would allow. But we may now be proud that our city is preparing to satisfy an ever growing imperative need for recreational areas.

"Our library is answering the purpose for which it was founded, but the population of Daly City is steadily increasing. In view of this fact we certainly need a new library which will accommodate more patrons.

"Of course, as our population grows, as we build lovely homes and widen our streets, we should have a city hall of comparative beauty and one which is large enough to supply sufficient office space for growing city departments. Of such a structure local citizens might justly be proud. However, by the widest stretch of his imagination no Daly City resident could point with pride to the city hall which now stands on Wellington avenue.

"We must remember that a new corner's first impression of a community is generally founded upon his reaction to the beauty of its public buildings. If a city hall in a town is shabby, strangers think the residents are either too poor to build a new one or are too lacking in public spirit or pride to care whether a new one is had or not. In either case the stranger will think several times before he settles in such a community.

"Our bank has been greatly improved, our church in the civic center would be a credit to any community, our stores are of modern construction, our streets have become boulevards instead of narrow roads, our schools are beautiful and our homes are a great asset to this growing community. Why shouldn't our public buildings be so?"

Harry Anderson, commander of the local American Legion Post: "Legionnaires and the auxiliary are a group of fighting men and women. Results of contentions always bring change—either improvement or destruction.

"Currently in Daly City there is an opportunity for all residents to join in a fight for improvement. The elements of that fight are strictly pioneering in nature.

"A new city hall and library are needed to beautify our civic center and to supply adequate space in which public services may be given to this community. The development of parks and playgrounds are a vital necessity to the sound physical, social and moral development of our children. The extension of the municipal water and fire alarm system into the newly annexed Colma area is not only a decided step forward in community development, but they are good investments from an economic standpoint. Both projects will soon pay for themselves.

"Legion members, along with other civic minded groups, will fight for the improvements."

Mrs. Remington, president of the Colma P. T. A.: "The children of today are the citizens of tomorrow. Facilities such as parks, playgrounds and libraries, which play a part in the development of children, wield tremendous influence on the quality of the future citizen.

"Daly City has far outgrown its library facilities. School yards and empty lots have in the past been the only places in which local children have had to play. The present improvement project provides for factors which will satisfy these vital needs. Parent Teacher Association workers are much interested in the realization of the proposals."

Mrs. R. J. Welsh, president of the General Pershing P. T. A.: "Community centers play an important part in the social and recreational life of areas in which they are located. Daly City at present has no community center. Current proposals for civic improvements will provide facilities similar to a community center. Such developments would be very advantageous to Daly City."

Mrs. L. B. Thomey, president of the Woodrow Wilson P. T. A.: "Daly City needs the projected improvements."

When asked by a Record reporter if she wished to enlarge upon her statement, Mrs. Thomey said: "Yes, Daly City CERTAINLY does need them."

Charles Goff Thomson, superintendent of Yosemite National Park, died Tuesday of this week. The park official was stricken with a heart attack Sunday. His condition gradually became worse till he succumbed.

Council In Controversy Over Procedure Method Taken To Enlarge Personnel Of Daly City Department

(Continued from page 1)

after the council had instructed Daly City purchasing agents to buy at home when possible.

The city attorney stated that he would take steps to abate the nuisance on Irvington street and would carry on condemnation procedure at other points when instructed to do so by the council.

Councilmen Cavagnaro and Fahey requested that the present set up of city gasoline purchases be explained in detail. Mayor Selmi asked the city attorney and Arthur Bodien, who has been handling the gasoline contracts, to make available any information which Cavagnaro and Fahey may wish in order to straighten out the tangle.

A. M. Harrison alleged that cutter wheels and other plumbing supplies for the San Jose avenue job had been bought from San Francisco firms after the council had adopted a policy of "buy at home." Councilmen declared that their policy still held and indicated that they would see that it was carried out when circumstances permitted.

FIRE APPOINTMENTS

Resignations from C. Haller and W. H. Spreckelmeyer, members of Fire Company No. 5, were accepted by the council and instructions were given to the fire commissioners to make recommendations for filling the vacancies. J. Welsh and P. D. Bordson head the list of applicants to be appointed to Company No. 5. Applications for membership in the fire department were received from James Samme and H. J. Segale. They were ordered filed in order.

A communication from Albert Sardelli, apartment house owner at 24 Hillcrest drive, complained that his tenants were continually being disturbed on Saturday and Sunday evenings by boisterousness and profane language being used on the street near his apartment. The offenders were alleged to be patrons of a nearby saloon. The chief of police was instructed to investigate and prevent the recurrence of such conduct.

A bulletin was received from the California League of Municipalities stating that a legislative measure was proposed which permitted angle parking on state highways above certain width specifications. Mission street at the top of the hill meets these requirements and if the bill passes angle parking will be permitted. By motion, the council instructed City Clerk Ross to notify legislators from this district that

Health Association Starts Hi Program

A meeting of all physicians of the Daly City and Colma area was called, Thursday evening of last week, at Jefferson High. This meeting was held in the interest of prevention and control of tuberculosis among high school students.

Mrs. Ruth Close, executive secretary of the San Mateo County Tuberculosis and Health Association, acted as chairman of the meeting and explained the services of the association. Drs. Shaghoian Lubin, Peoli and Ring were present and were unanimous in inaugurating the program in Daly City and Colma. They offered their services in conducting a clinic for the tuberculosis association. The association will pay for all supplies and equipment and provide X-rays for those needing such service and a follow up nurse to go into the homes of the students who are found to be infected with the germs.

The high school does not have a nurse in charge, so Mrs. Lohr elementary school nurse of Daly City, attended the meeting to give any help and service she could in making improved service possible for the community. It was reported that public health nurses of schools of the county would volunteer their services to make the clinic a success for Jefferson students and to assist the physicians in this progressive school health program.

Miss J. Young, physical education instructor, will be in charge of arrangements and consent blanks from parents. The test will be given April 12, 14 and 16. Only students of the senior class are eligible and parents must sign consent blanks in order that students may be examined. This community service is made possible through the sale of Christmas seals.

JADE FOUND

The Carnegie Institution of Washington announced this week the discovery of the largest piece of jade ever found in the new world. The stone, weighing almost 200 pounds, was discovered during the excavating of a pyramid mound near Guatemala City, Mexico.

Daly City favors passage of the bill, inasmuch as angle parking would be of convenience to patrons of Daly City merchants.

HILLCREST WIDENING

The council passed unanimously a resolution oking the proposed plans for widening Hillcrest drive from Mission street to Mission Circle. Gas tax funds are to be used on the project.

For Saturday evening, April 17, the Daly City Merchants Association was granted permission to use the upper auditorium of the city hall to hold a dance and prize drawing for their local trading program.

The council went on record as favoring a WPA concert to be given at Jefferson Union High School and appropriated expense money not in excess of \$20 to pay transportation costs of the orchestra. Date for the concert will be determined at a future council meeting.

ROAD SHOW WILL ESTABLISH RUN AT THE COLUMBIA

"Help Yourself" Proves One Of Most Delightful Farces Seen Here In Years

If Federal Theaters are really trying to re-establish the spoken drama via road shows which are to be taken to smaller communities throughout the land, they have made an auspicious start by sending out the "Help Yourself" company, which opened a brief two weeks engagement at the Columbia Monday night of this week.

In the parlance of the advance agent, the show really is a "wow" and as such was accorded a demonstrative reception by the usual packed house on San Francisco first nights.

An amazing situation is quickly evolved with the rise of the curtain

PAUL REYNER CARROLL BORLAND Starring in "Help Yourself" at Columbia Theater

on the first act, a situation so startlingly ridiculous that it took the audience several minutes to realize that they were witnessing one of the cleverest farce comedies that has come this way in many moons. With realization, however, the fun began and through three acts of unusually clean cut characterizations, hilarious situations and ever present possibilities of a romance between a down-and-out and a banker's daughter, this he-cinderella com-

SWING OF PENDULUM CHEERS RACING MEN

By J. W. MARCHBANK

Luck must change some time and so it is with the racing venture of Cleaveland Putnam, Arizona sportsman. Mr. Putnam is the owner of Man o' War's grandson, Moon Side, and other clever performers. Moon Side, a superlative performer in soft footing, was the winner of the Kings Mountain Handicap at Tanforan and is a danger in stakes yet to be run at the San Bruno course.

The Arizonan got off to a bad start in the game, as do so many men of affairs, and for a time it looked as though he might even withdraw from the fascinating pastime. Apparently the bright future now looming will make him go into both breeding and racing on a larger scale than ever. His "white, yellow cross sashes, white cap" has been victorious in quite a number of events in addition to the Kings Mountain at Tanforan.

Yearlings by various sires owned by the sportsman were shipped a few months ago from his Arizona ranch to Kentucky and next year may be seen in action in the first running of the Tanforan Futurity, to which Mr. Putnam made liberal nominations.

A good move that may bring brilliant results was the purchase of the good horse Ladysman. The Arizona sportsman does not have the stallion at his nursery, however, but has turned the promising sire over to Henry H. Knight for four years. Ladysman, seven year old chestnut son of Pompey and Lady Belle, is standing at a farm near Nicholasville, Kentucky.

The blood lines of Pompey, sire of Ladysman, interest me quite a bit, as he is a grandson of Sundridge through Sun Briar. My successful stock horse, War Cry, is a grandson of Sundridge through Sunstar.

When one is thinking of popular strains it may be worth mentioning that the chestnut stallion Sweepstaff, which ran second to Moonside in the Kings Mountain, is by Sweepster, which has been at Heather Farm for the past two breeding seasons. Judging from the conformation of the Sweepster foals arriving at "the ranch" the well bred Sweep horse is going to do as well in California as he did in Eastern Canada and Kentucky in sending good ones to the races.

position wins the palm for good entertainment up to this point of 1937.

The touring company comes to San Francisco after a series of successful performances in many towns along the road from San Francisco and after a five weeks run in Los Angeles. The three principal parts are played by Paul Reyner, college man looking for a job; Peter Brocco, former room mate at college of Reyner, who has a job in a bank, and Carroll Borland, the banker's daughter.

Mr. Reyner, in need of a job, walks into a bank, hangs up his hat and coat and helps himself to work with delightful cheek and some success.

The entire company of seventeen render a good account of the parts assigned them.

County Society To Sponsor Social

Saturday evening of next week the Forty and Eight Society of San Mateo County will sponsor a whist, dance and social in the Burlingame Legion Hall. James Conley is chairman.

Decorations and entertainment will be carried out on an April fool plan. Many prizes will be awarded.

Finance Your Home in your own HOME town

Bank of America leads the west in its volume of loans for home building, buying and modernization under the attractive, convenient terms of F.H.A. Here the money loaned by Bank of America for home loans and for modernization is creating local employment and making this a more attractive community in which to live. Bank of America invites you to discuss your home plans with this bank... with its local officers who, as your own neighbors, want to give you every advantage of Timeplan F.H.A. financing.

Colma News Notes

Geraldine Borelli, aged 4, Brunswick street, was painfully injured Monday of this week when she fell from a fence at the rear of her home. Taken to the Villa Sanitarium, the child was treated for a broken collar bone.

Mrs. B. S. Greene, Bryant street, has been confined to her home the past week suffering from a severe illness. Her many friends express hope for a speedy recovery.

Florine Capurra is spending a pleasant Easter vacation in Stockton.

Loretta Pinocchi, Vale street, has been confined to her home since Saturday of last week suffering from a foot injury.

Friends of Frank Lee, Clara street, will be glad to hear that he is up and around again after a lengthy illness.

Jack Root, Rockaway Beach, was treated at the Junipero Serra Hospital Monday of this week for a chest injury. The man was caught in a land slide while at work on the new Coast highway.

Larry McKeown, Los Olivos avenue, is recovering from a broken right hand and head bruises received Saturday of last week when he was thrown from his bicycle. At the Junipero Serra Hospital, where he was treated, the youth attributed the accident to a loose foot pedal.

Misses Olive Silvas of Crocker avenue and Kathryn Callan of Shakespeare street were dinner guests at the home of Mr. and Mrs. P. L. Peterson and family on Mission street.

Officers of the Colma Parent Teachers Association will hold an executive board meeting, Thursday afternoon of next week, at 2 p. m. at Jefferson Hall on San Pedro road.

Miss Evelyn Hammer entertained the members of her club, Wednesday evening of this week, at her home on Willits street. Following an enjoyable evening guests enjoyed refreshments. Those present were Misses Anita Mooney, Dorothy Fuchs, Lyla Crane, Lillian Kosta, Laura Anderson, and hostess Evelyn Hammer.

Richard Alcaraz Millet, Jefferson High's active yell leader, spent an enjoyable Easter week's vacation in San Jose visiting relatives.

Miss Nilda Massaglia was confined to her home on Station avenue, several days of this week, with an attack of flu.

Members of the Girl's Needlework Guild were the guests of Mrs. M. P. Brown at her home on Washington street, Thursday evening of this week.

Mrs. Gertrude Oakes of Station avenue entertained as dinner guests, Wednesday evening of this week, her sister and niece Mrs. Alice Lagomarsino and daughter Elva of Daly City.

Willie Jost enjoyed the matinee showing, Saturday of last week, of Lost Horizon at the Geary Theater in San Francisco.

Mrs. M. P. Brown of Washington street was hostess at a reunion luncheon given for a number of old friends and classmates, Wednesday afternoon of this week, at the Women's City Club in San Francisco.

The annual conference of Secondary School Principals held in San Francisco, the first three days of this week, was attended by many of the principals and teachers of the Jefferson School District and others interested in education. Interest was particularly shown in the fine demonstration in remedial reading for the aid of retarded pupils.

CAST ENJOYS PARTY

Miss Mary Belli was hostess at a party, Saturday evening of last week, held at the home of her sister Mrs. C. Cattori on Mission street for members of the cast of "Please ta Meecha," a play enjoyed by many at the last festival held at the parish of Holy Angels Church.

Games and dancing were followed by the serving of a delicious buffet supper.

Those present were Elaine and Russell Antrocoli, Henry Biggio, Albert Belli, Bob Funge, Marjorie Fuchs, Urbana and Reggie Granucci, Oliver Granucci, Thomas Stanghellini, Elizabeth Cattori, Helen Bertini, Florine Cappuro, Dave Gaggero, Dorothy Camenzind, and Mary and Jean Belli. Acting as chaperons were Mr. and Mrs. C. Cattori and Father Marchesi.

ACADEMIC FREEDOM

Resident Ray Lyman Wilbur, Stanford University, declared in his annual report, issued last week, that the necessity for preserving academic freedom is now being recognized more than ever. Passions and emotions can make storms, troubles and war, but intelligence alone "can keep us on the path of progress to greater stability," he said.

Heavy Rains Food Peninsula Roads

(Continued from page 1)

Skyline boulevard. Skyline likewise had troubles, for in the vicinity of the San Francisco county jail four bad slides all but closed the boulevard.

REDWOOD WORST

Redwood City was hardest hit by the storms, with basements of the McKinley School, public library and the office of the County Agricultural Commissioner being flooded.

Heaviest rainfall in the county was recorded at the headwaters of Pescadero Creek, where six inches of rain fell from Saturday night until Sunday noon. For the same period more than four and a half inches fell in the mountains on the Pescadero Creek Ridge.

At Half Moon Bay 1.30 inches of rain was recorded Monday. Half Moon Bay Creek overflowed its banks and swept the flat lands. Artichoke fields, chicken houses and flower gardens were under water and the creek resembled a river. In many places the roads were also under water.

Control Of Insect Pests Is Subject

The practice of controlling insect pests of field crops in California by spraying the fields from airplanes has attained wide proportions. Some of the sprays used are poisonous. It sometimes happens that the spraying is done when the wind is blowing and the poison is carried to adjoining pastures and forage areas. The bee people complain bitterly of the destruction of their bees and the State Department of Agriculture has received more than a few complaints from dairymen.

Director Brock of the State Department of Agriculture has called a meeting of livestock, bee people and other interested persons for a discussion of the problem and of plans for improving the situation.

The meeting will be held in the Assembly Room of the Sacramento Chamber of Commerce, Tuesday, March 30, at 1:30 p. m. All persons who may be interested are invited to attend.

Red Cross Official Quits Relief Post

Helen Chesebrough, county Red Cross official, has resigned as a member of the San Mateo County relief committee, it was announced late last week by Reverend Michael R. Power, chairman of the committee. Miss Chesebrough said pressure of other activities made her resignation necessary.

Miss Chesebrough, vice chairman of the San Mateo County chapter of the American Red Cross, has been a member of the committee since it was first formed in 1932.

Mrs. H. S. Dana, vice chairman of the committee, James Ferguson, Colonel Felix B. La Crosse and J. E. Morrish, other members expressed their thanks for services Miss Chesebrough had rendered.

The local merchant can increase his business and keep purchases at home by advertising in The Record.

sprints. Over a fast track he'll be hard to handle.

Another newcomer to Tanforan with an impressive record is the Hunt, Beezley & Boeing star, Glee-man. He turned in two smashing efforts which topped off his Santa Anita campaign, winning his last start with 117 pounds up in 1:11. In six starts in the south he was out of the money only once, winning two races and finishing second three times. The Hunt, Beezley & Boeing Stable purchased him from J. H. Whitney immediately after the Santa Anita meeting ended.

Manners Man, winner of the Inaugural Handicap at Tanforan through the mud, will again defend his laurels and his track record. He is a sharp threat, mud or dry.

OFFICERS NOMINATED FOR DISTRICT P. T. A.

Mrs. Elmer L. Miller, of Burlingame, was again nominated to serve as president of the Seventeenth District, California Congress of Parents and Teachers, by the nominating committee which reported at the Fathers Night meeting in Burlingame High School, last week.

Others nominated to serve with Mrs. Miller were Mrs. B. D. Ralston, Woodside; Mrs. Jephtha Wade, Burlingame; Mrs. Holton Hornbeck, Burlingame; Mrs. Frank J. Steele, San Mateo; Mrs. Stella Jensen, Colma; Mrs. W. G. Fuhr, San Mateo; and Mrs. Ray Boulton, Millbrae, as vice president. Mrs. W. R. Dunn, Burlingame, was nominated as recording secretary; Mrs. Hugh Allen, San Bruno, financial secretary; Mrs. F. L. Kneuper, Burlingame, treasurer; Mrs. W. S. Cook, San Bruno, auditor; Mrs. E. E. Bramble, South San Francisco, historian.

Election and installation of officers will take place at the annual district convention, April 15 and 16, in the new San Mateo theater, with luncheon both days at Oak Tree Gardens. There will be no meeting of the district executive board in April. Unit publicity record books will be judged at Burlingame Library, April 6, at 1:30 p. m.

NEW DANCE STUDIO TO OPEN

The Betty May Dance Studios announce the opening of a new class at the Crocker Masonic Hall, 17 Hillcrest drive, Thursday of next week.

Miss Alecia Fields, a young Daly City resident and an experienced dancer, will be in charge of the new class here.

Jefferson Athletes Enter Track Meet

Five Jefferson Union High School athletes—Dave Gaggero, Stan Simpson, Gene Mazoue, Carl Delassio and Grant Smith—are to be entered in a Central California track meet to be held at King City April 3.

Coach Mathews and the men will make a one day trip to King City. They will meet in competition with 500 other tracksters from 28 different schools.

Gaggero will run the 120 low hurdles and the 440. Simpson will enter the 100 yard dash and shot put competition. Mazoue and Delassio are scheduled for the 660. Smith will run the 120 low hurdles.

BRUNO MAN DIES

James W. Foley, 39, employee of the San Bruno Department of Public Works, died Sunday evening of this week at his home, 709 El Camino Real, after an illness of three weeks.

WANT CORONER CROSBY PUT OUT

(Continued from Page 1)

to the county engineer and county executive.

Clarence Woods of Brisbane asked appointment as sanitary inspector. Referred to the engineer for report.

Chairman H. H. Smith, of the board asked for permission to leave the state for a vacation for a period of one month. The supervisors were of opinion that this was too short a time, and granted him two months.

A letter was read from residents of Menlo Park protesting against the renewal of a permit for a license to a riding academy which has been operating there. Referred to district attorney.

Letters were received from the City of Bayshore, the City of San

Bruno, the Italian American Club of South San Francisco and the Bayshore Voters League protesting the change of setup of the justice courts in the First Township.

The county engineer was instructed to do no new road construction work until rights of way had been secured by the county.

H. F. Nelson requested to be heard with regard to a matter of money he claimed was missing from the body of his brother, who was recently killed in an auto accident on the Bayshore highway. He not being present, the matter was continued.

A letter from President Sam Winkler of the San Mateo County Press Association, protesting change in time of the board meetings, was placed on file and the matter ordered removed from the agenda.

CHURCH SERVICES

Good Friday services will be held at Holy Angels Church today between the hours of 2 and 3 p. m., followed by the Stations of the Cross. All local residents are invited to attend.

DALY CITY

NEWS NOTES OF PERSONAL INTEREST

Mrs. Mabel Crossland of Hillcrest drive, accompanied by Mr. and Mrs. Carl Gustafson of Lake View avenue, former residents of Daly City, are visiting in Messa.

Mr. and Mrs. Samuel Yonan, 196 Irvington street, welcomed another young son to the family circle. The little fellow was born last Monday.

A baby daughter was born to Mr. and Mrs. John H. McGraw, 1209 Brunswick street, on St. Patrick's Day.

A marriage license was issued in San Francisco last Saturday to Albert J. Perada, 22, San Diego avenue, and Bernice B. Allen, 18, 653 Fillmore street.

Mrs. Emma Felsch and her grandson, Robert Felsch, of Oakland, are visiting this week with Mr. and Mrs. George Felsch of Risel street.

Mr. and Mrs. Frank McDermott of Templeton avenue entertained at dinner, Sunday, having as guests Mr. and Mrs. Edward McDermott and son Lester and Tom McDermott of Oakland.

Marilyn Tacchi of Miller avenue, South San Francisco, spent the past week visiting at the home of her grandparents, Mr. and Mrs. R. Foppiano of Evergreen avenue.

Richard Selmi of Santa Barbara avenue spent last week end visiting his grandmother, Mrs. Dolly Pfuhl, in San Francisco.

Court Saint Marys No. 155, Catholic Daughters of America, will hold their regular monthly whist party Thursday evening, April 1, in Masonic Hall. All attending are assured a pleasant evening.

Mrs. L. Thomey of Willets street, representing Woodrow Wilson P. T. A., attended the meeting of the Seventeenth District, California Congress of Parents and Teachers, held Friday evening of last week at Burlingame High School auditorium.

Mr. and Mrs. E. Trier of Woodrow street entertained as house guests, over last week end, Mr. and Mrs. C. B. Rose of Alhambra and Dr. and Mrs. Laurance Heacock of Los Angeles.

Mrs. H. A. McHugh and daughter Bonnie Jean of Oliver street were luncheon guests of Mrs. W. Gergus of Rivera street, San Francisco, last Friday.

Mr. and Mrs. William P. Bolger of Risel street spent Friday and Saturday of last week visiting with Mr. and Mrs. Vernon Douglas of Franklin and Mr. and Mrs. Henry Karibo Jr. of Wilton, Sacramento County.

Mrs. E. Donham and little son Robert of Petaluma are the house guests of Mrs. Donham's parents, Mr. and Mrs. Adolph Gehring of Woodrow street.

Mr. and Mrs. W. Campbell and family of Agnew were dinner guests of Mrs. Helen Manderville of Risel street, last Sunday.

James and Helen Campbell of Agnew are spending their Easter vacation as the house guests of their grandmother, Mrs. Helen Manderville of Risel street.

Mr. and Mrs. Fred Millard and son Fred Jr. of San Francisco were dinner guests of Mr. and Mrs. William Irwin of Hanover street, last Sunday.

Mr. and Mrs. Walter Simon and daughter Shirley and Mr. and Mrs. Ralph Riches of San Francisco were dinner guests, Thursday evening of last week, at the home of Mr. and Mrs. George Riddell of Templeton avenue.

Mr. and Mrs. G. Cullum of North Park avenue and Mr. and Mrs. F. Baumeister and daughter Alma and Miss Edyth Pellacani of San Diego avenue attended the wedding, Saturday evening of last week, of Miss Betty Cooper and Robert Shuman at the Pacific Club in San Francisco.

Mr. and Mrs. George Riddell of Templeton avenue were dinner guests, Sunday, at the home of Mr. and Mrs. Dave Guiliana in Redwood City.

Mrs. J. Pearlman and Mrs. F. Kanter of Miriam street will be in charge of the benefit whist party to be held Tuesday evening of next week in the Synagogue, 67 Los Banos avenue.

Albert Brush of Los Olivos avenue was in Oakland, Saturday of last week, cartooning at the grand opening of the Andrew Williams Market, largest market in the world.

Mrs. Mable Mansfelt and daughter Miss Marion of Liebig street had as dinner guests, Sunday, Mr. and Mrs. C. Nelson, Mr. and Mrs. S. Farrington and daughter Judy and Sam Bohr.

Mr. and Mrs. Ray Antonelli and son Raymond Jr., who had been making their home on Vista Grande avenue, moved, Tuesday of this week, to Mission street.

J. Pearlman of Miriam street was a patient, Friday and Saturday of last week, at the University of California Hospital in San Francisco, where he was under observation.

Mrs. John McHugh, Bellevue avenue, spent Sunday visiting relatives at Los Altos.

SIXTY CHILDREN LOCAL INTEREST ESCAPE INJURY IN PRIZE DRAW IN STAGE CRASH GAINS RAPIDLY

Three Others Hurt As Bus And Auto Collide On Mission At Sickles

(Continued from page 1)

Twenty-fourth and Alabama streets, to Holy Cross Cemetery to attend annual memorial services for the late Father Peter C. Yorke, Irish patriot. Skidding on the slippery paving, the bus collided with the Armento automobile in the middle of the intersection, careomed over the curb and into the plate glass front of a chain store at 5901 Mission street.

Plunging through the store front, the bus sent glass, canned goods and vegetables flying in all directions.

John Erkelens, 22, of 2785 San Jose avenue, clerk in charge of the store, and several customers escaped injury.

Mrs. Sudro, however, apparently was caught in the wreckage of a big vegetable stand, which finally halted the stage.

Several windows of the bus, driven by Frank Serpa, 1640 Broderick street, were shattered. So far as could be learned not one of the children suffered a scratch, although all were badly shaken up.

Passing pedestrians rushed to the assistance of Armento and Miss Alaga, helping them out of the automobile, which was turned over on one side by the impact.

All injured were sent to a San Francisco hospital, while the 60 children were transferred to another bus hastily dispatched to the scene, and continued their trip to the cemetery.

Mr. and Mrs. M. Kanter and family of Miriam street were luncheon guests, Tuesday of this week, at the home of Mrs. S. Gold, California street, San Francisco.

Merchants Sponsoring Free Radio And Washer Prizes Report Nearly 40,000 Coupons Are Gone

(Continued from page 1)

fore the program is over. "However," they smiled, "if we need more we shall buy them to give to our customers. We want every resident of Daly City to have several chances to win the radio and washer."

FREE DANCE

On the evening of the drawing the sponsoring committee plans to give a gala free dance at the city hall. Everyone in Daly City will be invited to come and bring their friends. Especially everyone who holds coupon numbers is asked to come. Although it is not necessary for the winners to be present in order to claim the radio and washer, it is hoped that they will be among the crowd in order that the prizes might be awarded publicly.

Between now and the drawing date the prizes will be on display at the American Shoe Shop, Vireno's Market, Street & Co., County Line Market, Selmi's Grocery, McGraw's Pharmacy, Your Barber Shop, Westlake Market and Harrison's appliance store.

Tests To Be Given Junior Game Patrol

This evening at the city hall, 32 boys will be given tests by the State of California Department of Natural Resources, Division of Fish and Game. The tests will provide another step in the organization of a local Junior Game Patrol, sponsored by the Daly City Rod and Gun Club and the San Francisco Rod and Gun Club.

Material covered in the test will include fish and game laws of the state, methods of conserving natural resources and several other topics of importance to the sportsman.

George F. Wheeler is taking an active part in the leadership of the Junior Game Patrol. He told The Record that a comprehensive program of instruction and outside activities has been outlined for the boys.

Attend Party

Mr. and Mrs. A. Cameron, Mr. and Mrs. W. Loomis of Peoria street, Mr. and Mrs. G. Lowden and Mrs. Frances Lahey spent Saturday evening of last week at the home of Mr. and Mrs. J. T. Larsen in Berkeley, where a birthday celebration was held honoring Mr. Larsen. Cards and refreshments were enjoyed during the evening.
